Use **Settings > Portal Settings** to update the information on the Login screen.

Portal Settings ×

To update the login screen information, add the institute name, a welcome message, contact information and logo(s) and then click Update. To see these changes, please sign out and sign in.

Institute Details

Institute Name*

Welcome Message*

As a pioneer of simulation-based solutions for healthcare training environments, EMS brings you SIMULATIONiQ. Whether you're running a single simulation event, or thousands, SIMULATIONiQ uses the latest web-based technologies to simply and seamlessly capture, organize and analyze the full spectrum of your simulation efforts. The results are tangible: Greater Visibility, Usability, Marketability, Adaptability, Scalability, Measurement, and ROI. SIMULATIONiQ: Smarter Simulation. Better Outcomes.
