Granting access to a video allows users and organizational units to view and/or download a video and indicate the dates it will be available.

Click **Videos > select a video > click the Video Access** link.

Video Access

To grant users and/or organization unit(s) access to the videos in the Video List, search for and select the users and/or organization unit(s) below.

Select the checkboxes to grant view-only or download privileges and indicate the dates the video will be available.

Click Save to save the users and/or organization unit(s) access or click Save & Close to save and return to the Video landing page.
