

## SP Telemedicine Steps:

- Log into SIMULATIONiQ
- From your dashboard **To-Do List** locate your telemedicine encounter. If you like, you can filter for “Telemedicine Encounter”

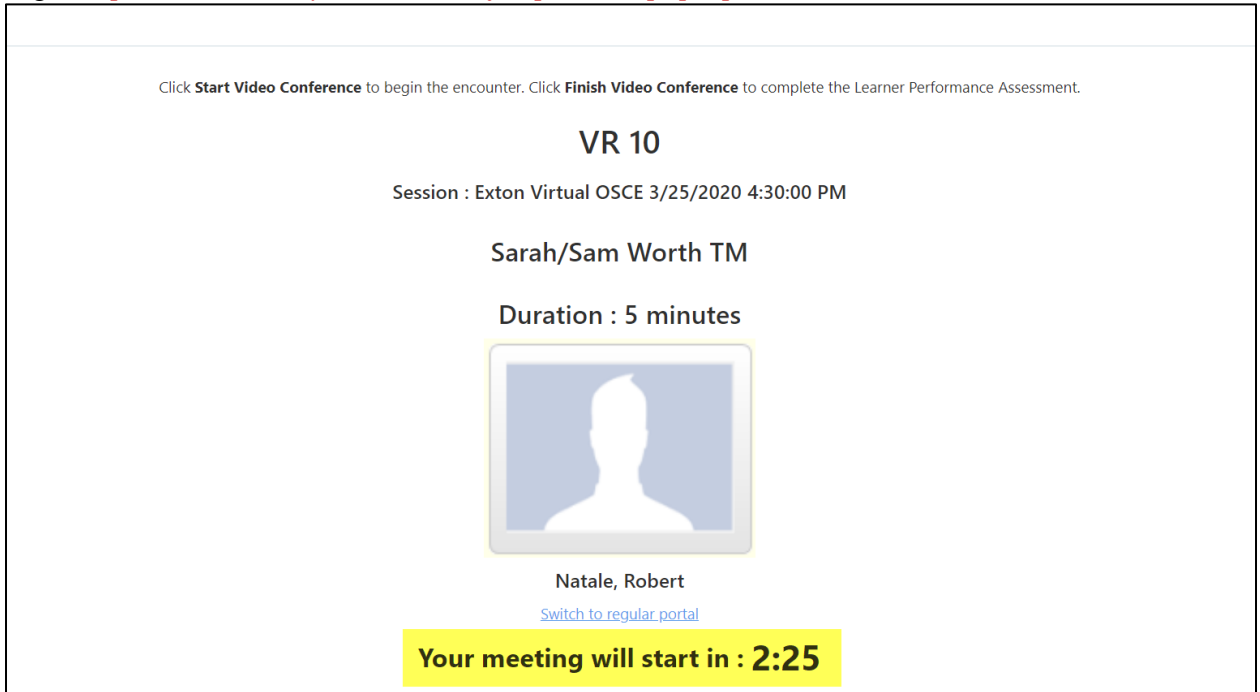

The screenshot shows the 'Scores & Reports' dashboard. The 'To-Do List' tab is active, displaying a search filter for 'telemedicine' which has returned 3 activities. Each activity is a 'Telemedicine Encounter' with a 'Start' button. The details for each encounter include the session name, date/time, and case/scenario.

Activity	Date/Time	Case/Scenario
Session Exton telemed Encounter Time 3/23/2020, 12:50 PM	3/23/2020, 12:00 PM	Bernie/Bernice Grey TM
Session Exton telemed Encounter Time 3/23/2020, 12:40 PM	3/23/2020, 12:00 PM	Bernie/Bernice Grey TM
Session Exton telemed Encounter Time 3/23/2020, 12:30 PM	3/23/2020, 12:00 PM	Bernie/Bernice Grey TM

- Click **Start** : if there are multiple Telemedicine encounters confirm you are selecting the correct start time

This screenshot is identical to the previous one, but the 'Start' button for the first telemedicine encounter (12:50 PM) is highlighted in yellow, indicating it has been selected.

- **\*\*Note\*\*** If you click **Start** before your scheduled encounter time begins, a new webpage will open to display a countdown timer until your telemedicine encounter begins. *(please monitor your browser for possible pop-up blockers)*

Click **Start Video Conference** to begin the encounter. Click **Finish Video Conference** to complete the Learner Performance Assessment.

**VR 10**

Session : Exton Virtual OSCE 3/25/2020 4:30:00 PM

Sarah/Sam Worth TM

Duration : 5 minutes

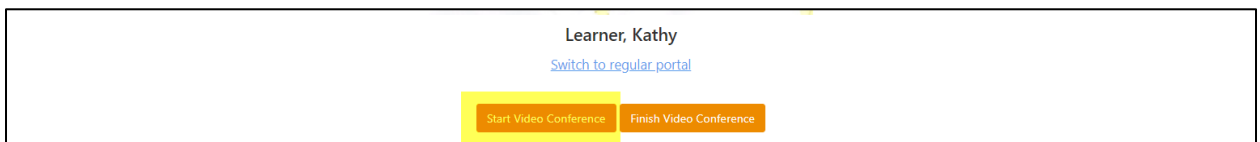

Natale, Robert

Open Zoom Meetings Cancel

Support: 1-800-405-7500

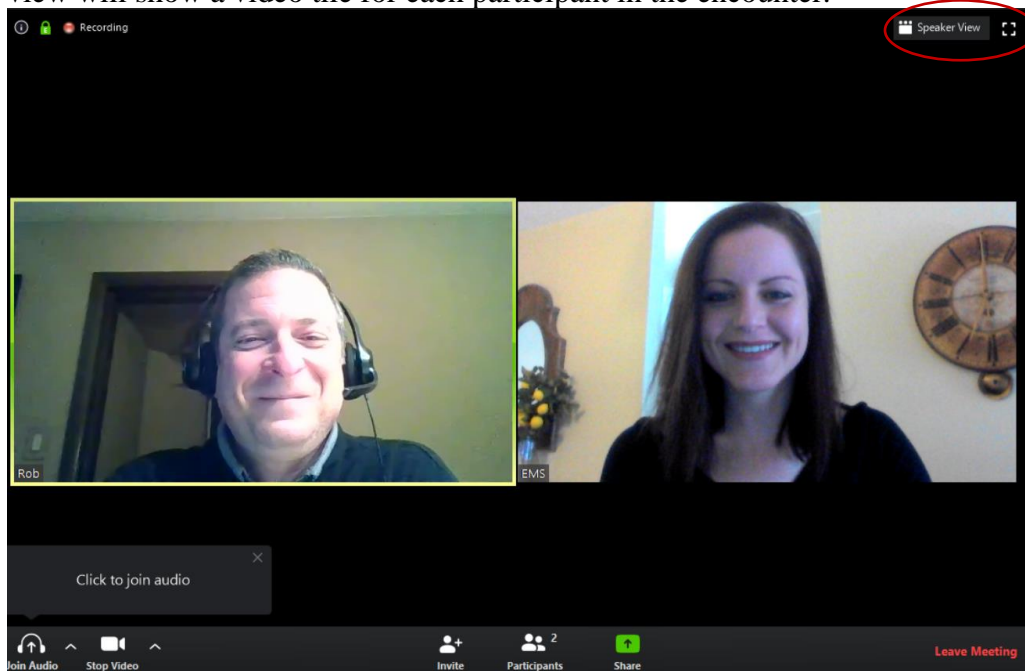

- You may be navigated to a pop-up window where you need to join the telemedicine encounter via video by clicking **Join with Video**

- Click **“Join with Computer Audio”** on next pop-up window

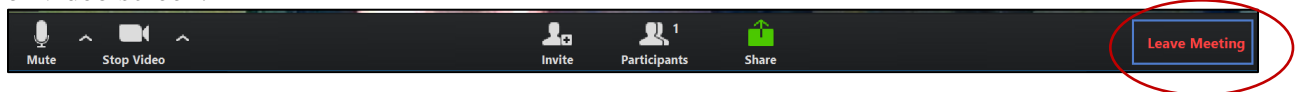

- You will be joined into the meeting in **“Gallery View”** which is the default view. This view will show a video tile for each participant in the encounter.

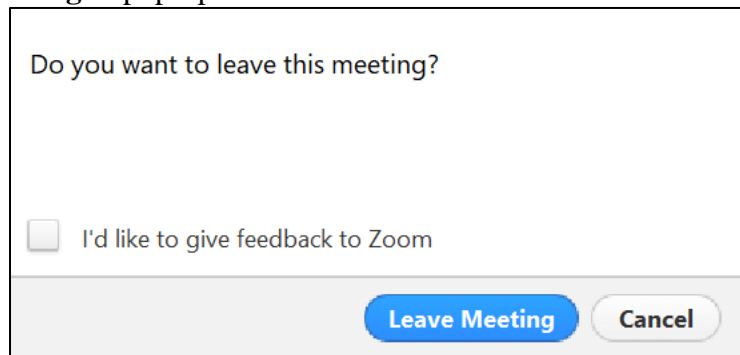

- You can select “**Speaker View**” option in upper right-hand corner of video (*previous screenshot*) window for the following view. This view will show the main speaker in a larger video tile.

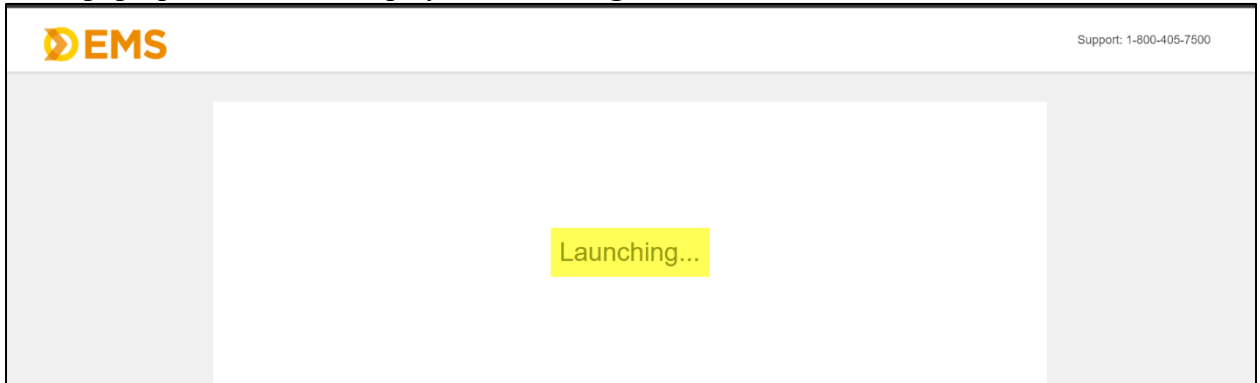

- When the Telemedicine encounter ends click **Leave Meeting** at bottom right-hand corner of video screen.

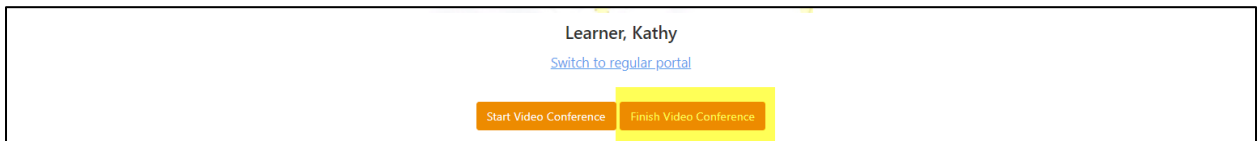

- Click **Leave Meeting** in pop-up window

- Close pop-up window that displays “**Launching**” in the middle of the window

- Scroll down and click “**Finish Video Conference**”

- You will be navigated back to the main landing page for your next assigned activity in the **To-Do List** (e.g., performance assessment, next Telemedicine Encounter, etc....)
